ABOUT US

Quick Shear Inc is a dedicated team of individuals who joined forces, pooling their expertise and ingenuity to establish an organisation aimed at propelling agriculture and the shearing industry forward, while also bolstering small rural communities.

As a not-for-profit entity, Quick Shear Inc is fervently reaching out to rural towns, extending support in the form of funding for projects that enhance the overall liveability of these communities and strive for improved outcomes for their inhabitants.

Through collaborative efforts and a steadfast commitment to sustainability, Quick Shear Inc endeavours to foster positive, enduring change in rural areas, nurturing a thriving environment for both agricultural practices and community well-being.

Vision

- Enable other not-for-profits to reach fundraising and project targets more quickly
- Provide an advertising platform for local businesses
- Advance agriculture

Mission

- Boost community engagement
- Bring visitors and outside income to our shire
- Encourage more people to become involved in the shearing industry

ABOUT THE EVENT

On Saturday 14th September 2024, Quick Shear Inc. is excited to announce the upcoming Quick Shear event for the town of Bigga. This highly anticipated event is expected to draw a large crowd, including competitors, supporters and enthusiastic fans to the area. Our goal for this event is to raise \$80,000, which will be allocated to benefit the Bigga community. The funds will be distributed to the Bigga Public School Parents & Citizens Association, Bigga Community Progress Association and the Bigga Rural Fire Service. Additionally, the funds will cover prizes and event-related costs. We look forward to the positive impact this event will have on the local community and are eager to showcase the skills and talents of the competitors.

At present, Bigga Public School is in need of new sporting equipment to provide students with a wide range of sports options. This upgrade will allow the students to engage in various physical activities, promoting their health and wellness. Additionally, the Bigga Rural Fire Service (RFS) is looking to procure a defibrillator for the main street to ensure swift access in case of emergencies. This safety measure aims to enhance the community's preparedness for potential medical incidents. Both initiatives reflect a commitment to the well-being of the students and the broader community, aligning with the prioritisation of health and safety.

The Bigga Progress Association is excited to announce its plans to enhance the Recreation Grounds to better welcome visitors and encourage longer stays in the town. The proposed additions include an open shed, providing campers and visitors with a comfortable space to gather regardless of the weather.

Additionally, the Association is considering the inclusion of a camp kitchen equipped with a sink, BBQ and ample seating. These enhancements aim to create a more visitor-friendly environment, catering to the needs of those exploring the area. Furthermore, the Association is looking ahead to future projects, which may involve renovating the kitchen in the Memorial Hall to increase its appeal for functions and events. These initiatives reflect the Association's commitment to fostering a welcoming atmosphere for all who visit the Recreation Grounds and the surrounding community.

EVENT HIGHLIGHT

Join us for a shear-tastic adventure!

Get ready to witness the shear brilliance of our annual competition. You won't want to miss it. Be part of the shearing phenomenon and embrace the energy of our incredible annual competition. It's shear ecstasy!

Help us to help Bigga by becoming a sponsor of the Bigga Quick Shear.

VIRTUAL EVENT

Quick Shear Inc have an avid fan base and competitors travel from throughout NSW to compete in our event. The event will be livestreamed through our social media accounts on the day and our website updated with sponsorships and photos throughout the day.

MEDIA COVERAGE

Quick Shear Inc has featured in the Crookwell Gazette, About Regional and Upper Lachlan Shire Council newsletters. We anticipate an even bigger media following in 2024 after the success of the 2023 Quick Shear in Binda.
